Dear Parents,

Welcome to Albany Lower Elementary School!

As you read this handbook, please take time to discuss with your child the expectations we have. This handbook provides general information that will help both you and your child become more familiar with our policies and procedures. All have been put in place with the safety of our students in mind.

We are looking forward to a great year and appreciate your support in helping our students reach their fullest potential. We hope to make this a rewarding experience for both you and your child.

Please feel free to call or stop by the school office if you have a question or concern that we can address.

Sincerely,

Robin Stewart
Principal

FREQUENTLY ASKED QUESTIONS

What are the school hours?

8:20 a.m. to 3:21 p.m.

What do I do if my child is late for school?

If you arrive to campus after 8:20, please report to the office to check your child in to school. Do not walk your child to class or let your child walk in by himself/herself. Please note that excessive tardiness can result in a truancy referral.

What are the checkout procedures?

Report to the office to check your child out of school. Do not go to your child's classroom. All checkouts must go through the office.

How do I collect my child's make-up work?

Please call the office before 9:00 a.m. to request your child's work. You may pick up the assignments after 2:00 p.m. This allows the teacher time to gather all materials and books needed to complete assignments. Please note many assignments may be found on Google Classroom.

Can I walk my child to class?

No. Students only are to report to designated areas before school.

How do I schedule a conference?

Call the office at 225-567-9281 to schedule a conference. A note will be put in the teacher's box and she will contact you. You can also send a note to your child's teacher.

Can I eat breakfast /lunch with my child in the cafeteria?

Due to the large number of students that our cafeteria serves between Albany Lower and Albany Upper, we unfortunately are not able to allow parents to eat with their child.

Mission Statement

Students + Staff + Community = Successful Learners

Philosophy

The faculty and staff of Albany Lower Elementary believe in the development of the whole child. Our staff will work diligently to recognize individual differences and provide opportunities for each child to develop academically, physically, socially, and emotionally. We feel that the time spent at our school is one of the most important developmental periods in a child's life.

Our faculty and staff combine their efforts and knowledge along with parents and community to give the children who attend Albany Lower Elementary the opportunity to feel comfortable in the learning environment as well as in their daily lives.

WE ARE THE HOME OF THE LITTLEST HORNETS!!!

WE ARE A TEAM!

Research shows that parental involvement is high on the list of factors contributing to student success in school. **Our goal is to work together with you to provide the best educational program possible for your child.**

How can you get involved? Show your children you are interested and concerned. At home, take the time each day to talk to them about their experiences in school. Ask about homework assignments. Your consistent interest in their progress and personal development in school will motivate them to want to learn.

Get involved at school by **maintaining contact with your child's teacher**. Feel free to ask questions. **Attend parent conferences**. Be supportive of the exciting school wide activities held each year. Let your child know you are working together with the teacher and the school to help make education beneficial in every way. **Home and school working together as a team can make the school year a very successful one for your child.**

Student Information Sheets- NEW THIS SCHOOL YEAR!!

Student information sheets are gathered from information entered by the parents online using our new online enrollment program. Please be sure you have updated information on your child. Only the person(s) listed on this sheet will be allowed to check your child out of school. **Please keep phone numbers and information updated if changes occur throughout the year.** This is the information we use to get in touch with you if there is an emergency. If a student becomes ill at school and the parent cannot be reached, the other names listed on this information sheet will be called. Because the online portal is only accessible at certain times during the year, you will need to come to the office to make changes when it is not open to parents. **Please contact the school nurse if your child has medical condition.**

Custody Issues

It is extremely important that you provide the school with any custody papers you may have. If any custody issue changes throughout the school year, you will need to update this information in the school office as soon as possible. All papers must be court ordered and signed by a judge with the seal visible.

Attendance

The school year consists of approximately 177 days. Students must be in attendance 167 days to receive credit for the year's work. **State law mandates that students miss no more than 10 unexcused absences for the school year.** A student missing more than 10 unexcused absences could result in not passing to the next grade.

Only the following absences will be considered excused provided the parent or guardian sends a doctor excuse confirming the reason for the absence the day the student returns:

- Personal illness (physical or emotional illness)
- Serious illness or death in the immediate family
- Emergency medical or dental attention

Please remember that it is very important to get an excuse from your doctor for each visit. The excuse must contain the child's name, date, days of the absence, and reason for the absence. The original doctor's excuse must be sent to school. Excuses must

be sent to school within 5 days of the student's return. If your excuse is faxed, it is the responsibility of the parent to call the school and ensure that it was received.

Arrival and Dismissal

School hours are 8:20a.m.-3:21 p.m. Students are not allowed on campus before 7:50 a.m. Students who arrive on campus after 8:20 a.m. are considered **tardy** and must be checked into the school office by an adult. Students that are tardy will receive an office note to be admitted to class. Excessive tardies may result in students being assigned detention to complete missed work and/or being referred for truancy.

Any student leaving school before 3:21 must be checked out in the office. Only the persons listed on the student's information sheet will be allowed to check the student out. **Please be prepared to show your id.**

Students are not allowed to check out after 3:10 as they are enroute to buses and car pick-up.

Checking In

After 8:20 AM---tardy (must be checked in through the school office by adult)

Between 8:00-10:00—Tardy but present for full day

Between 10:00-12:00—Present ½ day

After 12:00 —Absent all day but will count as a checkout

Checking Out

Between 8:20-10:00—absent all day

Between 10:00 -12:00 —Absent ½ day

After 12:00 PM--- Present full day

Students are only allowed 5 unexcused tardies or checkouts per semester. More than 5 will result in truancy issues.

Transportation

For the safety of your child we can only accept transportation changes in person with an ID. We do not accept changes made by phone, fax or email.

Car Riders

Car riders are to enter at car drop off by the Student Assembly Center and cannot be dropped off before 7:50 a.m. The Student Assembly Center gate will open in the morning at 7:50 a.m. until 8:20 a.m. All car riders are to be dropped off in the car drop off area. They **MUST** go through the car drop off line. Students are **NOT** allowed to be dropped off in the parking areas or walked to class.

The car drop off gate is closed as soon as the bell rings for school to start. If you are in line and the chain is put up before you are in the circle drive, you will need to check your child in through the office. Your child is considered tardy for school after the chain is up.

This is also where car riders will be picked up in the afternoons.

Only students at ALE can be dropped off or picked up in this car drop-off.

Bus Riders

Cars are not allowed in the bus zone area at the back of the school. All bus riders will enter and exit the bus in the bus loading zone. Students are assigned to ONE bus only. Students are not allowed to ride a different bus from the one they are assigned. **(Therefore students are not allowed to ride home with friends on a different bus, etc.)**

All PreK through first grade students MUST have someone waiting at the bus stop for them. Your bus driver CANNOT leave your child if no one is there.

Students That Walk

Only students that live in the blocks around the school are allowed to walk to and from school. This is because they live too close for a bus route. Please take note of the following two areas where students must walk to and from school.

- Students that live in the few blocks to the north of school must have an adult walk them to and from school. Students can be walked to the gate area and students can go to their class from there. In the afternoons, students will go to the car pick up area. Parents can wait at the edge of the Student Assembly Center for all cars to leave. Walkers are allowed to meet their parents after cars have finished. If you choose to pick your child up in a vehicle you **MUST** go through the car pick up line.
- Students living across from Albany Upper must go to the crossing guard and walk across the street to enter Albany Upper campus. Students will walk through that campus to enter Albany Lower. In the afternoons, students will go to a designated area to meet an assigned employee who will walk them to the crossing guard. Parents should wait for their child across the street. **Students in Pre-K through first grade must have a parent waiting for them.**
- Students that live to the south of school must have a parent walk them to the Upper entrance gate. Students will enter the Upper campus and walk to the Lower. In the afternoons, these students go to a designated area and are walked to the Upper. **A parent must be waiting at the Upper gate for their child.**

If your child walks to and from school, parents are not allowed to bring them or pick them up in vehicles. If you choose to drive them, you must go through the Lower car drop off area. (This is the procedure you will follow in the case of bad weather.)

School Telephone

The school telephones are business phones and are not to be used by students. Students are not allowed to call home for left lunches, schoolbags, notes, homework, to make arrangements to go home with a friend, etc.

If your child becomes sick or has an emergency at school, a school employee will contact parents or guardians. If a parent or guardian cannot be reached, the school will contact other names listed on the student information sheet.

Please do not call the school and ask for messages to be given to a student.
This includes transportation changes. Classes will not be interrupted to give messages to students.

Deliveries to Students

- Balloons, flowers, or any other outside deliveries to students are not allowed on campus.
- Students/parents/guardians are not allowed to pass out invitations, brochures, flyers, postcards etc. **This includes birthday, church or party invitations.**

Snacks/Birthday Treats

Students may bring snacks for their class as well as birthday treats. However, any and all items **must be store bought and cannot be homemade**. Please check with your child's teacher to set up a time that works best.

School Expenses

Please send any money to school in a **sealed** envelope labeled with your child's name and teacher's name. Also include what the money is being used for. Ex. Lunch money, class fees, etc.

Checks

We **CANNOT** accept counter checks (temporary checks). All checks **must** have two phone numbers on them.

Insurance

School insurance will be offered at the beginning of each school year. The cost is small and parents are encouraged to take advantage of this service.

School Supplies

Each grade has a supply list of needed materials each student will need throughout the year.

Class fees

The student class fee is \$25 for this school year. Fees should be paid as soon as possible. You can pay the class fees in 3 installments. The installments are as follows for K-2 students:

- ✓ \$10 by October 12
- ✓ \$10 by December 20 (for a total of \$20)
- ✓ \$5 by March 15 (for a total of \$25)

Pre-K class fees are \$35. The installments for Pre-K are:

- ✓ \$15 by October 12
- ✓ \$10 by December 20 (for a total of \$25)
- ✓ \$10 by March 15 (for a total of \$35)

Failure to pay class fees can result in not receiving your child's report card and/or not being allowed to go on field trips.

Cafeteria

The following are state policies that public schools must follow:

- Food packaging with printed names/logos from commercial food establishments (McDonald's, Burger King, Sonic, etc.) is prohibited during meal service.
- Canned or bottled soft drinks are NOT allowed. Fruit juices are allowed.
- Glass containers of any kind are not allowed.

Students in Livingston Parish will receive free breakfast and lunch for the 2021-2022 school year.

Field Trips

Class trips are designed for the educational benefit of the students of each grade level and are limited to the students in that grade. **(Brothers and/or sisters are not allowed on these school field trips.)** Parents that attend field trips are chaperones and are responsible for students on the trip. If parents bring younger

siblings on field trips, they may not be allowed to chaperone and their child will remain with the teacher during the field trip.

Students must adhere to the code of conduct while on trip and during transportation.

Please be sure teacher is aware of any medical concerns your child has.

Chaperones must be at least 18 years old or older and out of high school.

Students must ride the bus to and from the field trip. Students are not allowed to ride in cars to and from the trip with chaperones.

Repeated discipline referrals may result in your child not being allowed to attend field trips.

Due to deposits being made, once a field trip is paid, we will not be able to provide refunds.

Fundraisers

Albany Lower will have scheduled fundraiser activities. We encourage all students to participate as the money earned benefits all students at ALE.

Textbook Care

Textbooks are furnished by the state, bar coded, and issued to students. Funds for purchasing textbooks are limited: therefore, any lost or damaged books will have to be paid in full before we can issue a student another book. We ask that students treat textbooks with the utmost care since these books must last approximately 6-7 years.

Accelerated Reader Books

Students may check out Accelerated Reader books from our school library. These books should be returned in the same shape in which they were checked out. If not, students will be expected to pay for the book.

Videoing/Photographs

Students may be videoed/photographed for educational purposes throughout the year. Only authorized personnel are allowed to videotape/photograph a student or classroom. Photographs may be submitted to local newspapers for publication throughout the year.

Community Relations

Visitors

Visitors are welcome at Albany Lower for scheduled activities. All visitors to the school campus **must** come through the office and sign in. Our school is equipped with an intercom system so teachers and students can be paged from the office.

Conferences

We encourage a conference to be scheduled any time there is a concern about a student's progress. Parents are asked to make arrangements for conferences in advance as teachers have limited times they are not with students and are available to conference. We want to plan a time so that we are available to discuss any concerns you may have.

Cafeteria Visits

Due to the large number of students our cafeteria feeds between Albany Lower and Albany Upper, we are not able to have parents eat with their students.

Albany Lower is a Title I school. Below is the Title I Family Engagement Policy.

**Livingston Parish Public School System
Title I Family Engagement Policy
2021-2022**

A Districtwide Family Advisory Council has been established in order to revise the current Livingston Parish Title I Parent and Family Engagement policy and expand the plan in accordance with the *Every Student Succeeds Act (ESSA) of 2015*, section 1112 of the Elementary and Secondary Act (ESEA). This council will meet regularly in order to coordinate and integrate family involvement, and evaluate the effectiveness of the policy. This policy will be made available to the local community and updated periodically to meet the changing needs of the families and the school. The ultimate goal is to ensure that all families within the district are provided the same opportunities for involvement in their child's education. The advisory council will also be informed of the process of the 1% of Title I, Part A funds reserved for family engagement. The Local Education Agency (LEA) will incorporate these ideas into the district-wide policy. If there are any unsatisfactory comments on the plan, these will be forwarded to the State Education Agency (SEA).

Under the direction and technical assistance of the Local Education Agency (LEA), each Title I school will have family members serve on the Schoolwide Committee, which will function to review the schoolwide plan and family activities for that school. This plan will be specific to the Title I school and will provide a means for families to become more involved in their child's education.

Consistent with section 1118 of the ESEA, an annual meeting will be held in each school in which family members will be given information about their school participation in the Title I program and related services, an explanation of the requirements of this participation and a school/family compact as required by section 1118(d) of the ESEA.. Family members will also be informed of their right to parent-teacher conferences, regular reports on their children's progress, reasonable access to staff, opportunities to volunteer on campus, and to request information regarding the professional certifications of their student's classroom teachers. To the extent, which is practical, meetings will provide full opportunities for the participation of family members with limited English, members with disabilities and migrant parents following section 1111 of the ESEA. Information will be understandable and uniform.

One goal of this plan will be to improve communication between home and school through family/school compacts, newsletters, family-teacher conferences, handbooks, agendas, surveys, School Messenger recordings, electronic communications, such as: telephone calls, texts and emails, and school social media types of sharing information. It is important that family members respond to communications from the school in a timely manner and talk with their children about their classroom activities and behavior.

Another goal will be to provide information concerning the *Every Student Succeeds Act (ESSA) of 2015*, the State of Louisiana Accountability Law, the curriculum used at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.

Title I schools will assist families with parenting skills, technology skills, and give assistance in helping with homework, projects, and other at-home activities. Families will be encouraged to take advantage of teacher conferences as a way of monitoring the progress of students. Schools will also provide opportunities for the local community to become more involved with families and with the school.

Family participation is essential to the success of the students. By monitoring the child's progress and working with educators to improve students' achievement, families provide a vital link between the school and the student. Students should know that their family values education and achievement and are available to help them to achieve their goals. Annually, each school will disseminate and collect family surveys to improve engagement. Results from the survey, if needed, will be used to revise family engagement policies at the school level.

It is Livingston Parish Public School System's goal to reach out to, communicate with and work with families as equal partners in our schools.

Parent Volunteers

We have many parents who volunteer their time to help in school activities. Volunteers do a variety of things such as copying papers, reading to students, assisting in teacher led activities, helping with cooking activities, sharing talents and hobbies, etc. We welcome parent volunteers and any suggestions you may have are appreciated. More information will be sent home early in the school year.

ALE Essential 5:

- **Be respectful**
During discussions, respect other student's comments, opinions, and ideas. What they say is important!
- **Be a good listener**
We will follow certain classroom rules our teacher has put in place for us. My job is to be organized and ready to learn.
- **Be honest**
No matter what the situation is I will always be honest and tell the truth. Others will respect me for being honest.
- **Be positive and enjoy school**
Some things are just not worth being upset over. Focus on the good things.
- **Be your best!**
Always work hard to do the best and be the best you can be!

These expectations follow students on and off the bus and in every area of campus.

Below are additional expectations for students:

Classroom

The classroom should be orderly at all times and maintained in a way that is conducive to learning. Therefore, no student has the right to stop the teacher from teaching or students from learning. Your child's teacher will provide you with more information as to his/her expectations.

Cafeteria

Students are expected to walk in an orderly manner to and from the cafeteria. The cafeteria is a time for students to learn social manners. Students are expected to pick up around their dining area and put all food items in the trash bins.

Buses

Students are expected to maintain safe riding techniques while on the school bus. This includes facing forward and keeping feet, hands, and objects to self. The student should cooperate and follow the bus driver's directions at all times.

Walkways to and from buses, car drop off and cafeteria

All students are to report directly to their grade level building upon arriving at school. ALE has color coded paths to assist your child in getting around campus. Students follow the main blue line until they get to their grade level line.

- Pre-K students will follow the white line.
- Kindergarten students will follow the red line.
- Grade 1 students will follow the yellow line.
- Grade 2 students will follow the green line.
- The orange line leads us to the cafeteria.

Consequences of breaking school and bus expectations

In order to establish a fair and consistent method of disciplining our students, we implement a school wide disciplinary system of consequences along with each individual classroom teacher's discipline plan. The consequences of not adhering to school and classroom expectations may include, but are not limited to the following:

Student conferences Detention (recess and before school) Parent Conferences
Timeout Restitution Suspension/expulsion

Harassment Policy

The Livingston Parish School Board and Albany Lower Elementary are committed to maintaining a safe, orderly, civil and positive learning environment so that no student feels threatened while in school or participating in school-related activities. LIVINGSTON PARISH PUBLIC SCHOOLS

HEALTH RULES

The following guidelines are offered to help you determine when your child should not attend school. Please consider carefully a child's statement of feeling ill.

- **Diarrhea/vomiting:** Students who are vomiting or having diarrhea (2 or more watery stools) will be sent home from school. They will not be allowed to return until they are symptom free for 24 hours from the onset of symptoms. Children should be kept home if they were vomiting or experienced diarrhea during the night.
- **Fever:** Students who have a fever of 100.0 F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications. (ex: Tylenol, Motrin, or Advil).
- **Cold/flu:** Students with severe colds, sore throats, cough or "flu like" symptoms will not be allowed to stay at school. They should stay home for rest and proper attention to their symptoms.
- **Pink Eye:** Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse will be required to return to school. If diagnosed with pink eye, the student must be on treatment for at least 24 hours before he can return to school. Some conjunctivitis may require the student remain at home until all symptoms are resolved.
- **Rash/Lesions:** A student with an undiagnosed rash or lesion will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious. Child may return to school after rash is determined to be non-contagious by a physician or to be no longer contagious after proper treatment. Students may return with a note from the Physician's office.
- **Boils:** Students with boils must be seen by a Physician. If it is a staph infection they must remain home for 24 hours after starting antibiotics. A Physicians note will be required for them to return to school. The boil must be covered. If the boil is draining extra clothes and bandages should be sent with the student in case the bandage becomes saturated or if the clothes get wet.
- **Lice:** A student's hair must be free of nits and bugs in order to remain at school. The student will be readmitted to school after the parent has treated the child and *all nits and bugs* are removed. After successful treatment, the parent will need to bring the student to the office to be rechecked for lice by school personnel before being allowed to stay at school. *It is recommended that parents check their child on a regular basis for signs of head lice.*

- **Medication:** If your child needs to take medications for chronic conditions at school please contact your **school nurse**. State law requires a *medication administration form* be completed by the Physician and parent. This includes prescription and over-the-counter medications. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions. Parents are allowed to bring medications to the school and administer them to their child. If Parents cannot come they may send the medication with someone listed on the child's contact card. If the parent or someone on the contact card cannot come then the parent may send an adult not listed on the contact card. The School will require a written or verbal consent from the parent if the adult is not on the contact card and an ID will be checked.
- **Immunizations:** Louisiana State Law Statute LA R.S. 17; 170
Students entering school for the first time shall present a completed or up to date immunization record.

All students that are 11 years old must have a Tdap Booster, Meningitis vaccine, and a second varicella (chickenpox). Students that are 16 years of age must have a **second** meningitis immunization.

Parents of students that are unable to receive their immunizations due to medical, religious, or personal reasons must submit a written *letter of dissent* . This letter may be found on the LDOE and LPPS websites.

Students that have not received proper immunizations may not be allowed to come to school if there is an outbreak of a communicable disease at school (Chickenpox, Measles, Pertussis, etc.). By state law, these students must be excluded from the school setting, for the incubation period of the disease. These absences may not be excused.
- **Vision/Hearing:** Students vision and hearing are screened by the school nurse in Pre-K, Kindergarten, 1st, 3rd, 5th, 7th & 9th grades and from parent or teacher referrals. If a problem is detected notes will be sent home to the parent referring them to their physician for a more complete evaluation.
- **Scoliosis:** Students are screened in 6th grade for curvature of the spine. If signs are seen, students will be sent home with a letter referring them to their physician for a more complete evaluation.
- **Medical Conditions:** If your child has a chronic medical condition, contact the school nurse **annually**. Some examples of chronic medical conditions are: Seizures/Epilepsy, diabetes, asthma, celiac disease, severe allergic reactions to insects or food that require use of an Epi-pen or Benadryl during the school day. A SPECIAL DIET ORDER form is required **annually** from a physician if your child has specific food allergies.
- **Post- Surgery or Hospitalization:** If your child is hospitalized or has surgery he/she must return with a note from the Physician allowing him/her to return to school. Any restrictions must be noted on the return to school form.

If you have any questions or concerns, you may call Jennifer Wilkinson, RN School Nurse Coordinator at (225)686-4368 or contact the school nurse at your child's school. **In order for proper care to be provided at school, it is the parent's responsibility to notify the School Nurse with any medical conditions or needs your child may have or any changes to their medical conditions during the school year.**

TECHNOLOGY ACCEPTABLE USE POLICY

A. Program Development

In order to match electronic resources as closely as possible to the approved district curriculum, district personnel will continue to review and evaluate technology resources for compliance with Board guidelines listed in Board Policy IFA governing the selection of instructional materials. In this manner, staff will provide developmentally appropriate guidance to students as they make use of telecommunications and electronic information resources to conduct research and other studies related to the district curriculum. All students will be informed by staff of their rights and responsibilities as users of the district network prior to gaining access to that network, either as an individual user or as a member of a class or group.

As much as possible, access to district information resources will be designed in ways which point students to those which have been reviewed and evaluated prior to use. While students may be able to move beyond those resources to others which have not been evaluated by staff, they shall be provided with guidelines and lists of resources particularly suited to the learning objectives. integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers will be always be private.
